This serves as an official notice of sanction from the Elections Committee.

Based on the evidence provided through a formal complaint filed on 2/11/2018, the Elections Committee found potential violations of section 704.2.a, section 704.2.b, and section 704.4.b of the Elections Code.

Following a hearing held on 2/18/2018, the Elections Committee held that the aforementioned sections of the Elections Code had been violated by the ticket "Deliver".

Section 704.2 prohibits campaigning before the campaigning period, which the Elections Timeline defines as beginning on March 19, 2018 at 12:00 AM. Section 704.4.ii.d defines campaign materials as postings on various forms of media, including, but not limited to, Snapchat.

Section 704.4.a declares that only postings that have been approved by the Elections Committee may be shared, after the campaigning period has begun.

The Elections Committee has evidence of an unapproved campaign logo of the ticket "Deliver" distributed via Snapchat prior to the start of the campaigning period.

The penalties regarding this sanction are as follows:

The ticket "Deliver" is prohibited from any form of digital campaigning prior to 1:00 PM on Monday, March 19, 2018. Digital campaigning can be defined in section 704.4.ii.d.

Any activity that violates this sanction will be subject to further sanctions by the Elections Committee.
