WHEREAS, transparency between faculty and students is an important part of the environment and relationships at the University of Georgia; and,

WHEREAS, the senators not designated to a college will assist with the Q&A session of the college in which they are enrolled.

NOW, THEREFORE BE IT RESOLVED, the 30th administration of the Student Government Association, on behalf of the student body, will require each senator(s) to meet with their respective Dean to schedule an hour during the year to host this event at least once during their senatorial term; and,

THEREFORE, BE IT FURTHER RESOLVED, the Dean of the school may provide financial assistance for anything further at the meeting; and,

THEREFORE, BE IT FURTHER RESOLVED, the Senators for the college may also sit on the panel during the Q&A and answer students' questions, if the Dean so desires; and,

THEREFORE, BE IT FURTHER RESOLVED, if time does not permit for the respective Dean, that is fine, so long as the Senator makes an effort; and,

THEREFORE, BE IT FINALLY RESOLVED, in order to provide more transparency between the Deans and their students, this Q&A Discussion Panel will give students the accessibility they are looking for on a smaller and more intimate scale.
