ii. It is the responsibility of the author to seek and secure sponsors for the author's legislation.

1. Only the author has the ability to add and remove sponsors.

207.8 The President Pro-Tempore must send all legislation which has been approved by a legislative committee to all Senators via UGA email.

a. The President Pro-Tempore must make public the proposed legislation.

b. Proposed legislation must then be sent to all Senators and made public for review no later than four (4) days prior to the beginning of the Senate session where the piece of legislation will be considered.

 - iii. Legislation that has both passed the Senate and been ruled constitutional by the Supreme Court, but which has received neither assent nor a veto by the SGA President shall take effect one week after the SGA President is presented with the legislation in question.
- e. All passed legislation must be made public once approved by the Supreme Court.
- f. Each piece of legislation must include the vote of each Senator, including each Senator's name and whether or not they voted in the affirmative, in the negative, or if they abstained. If a Senator is absent, the voting record shall reflect such an absence and whether or not it was excused or unexcused.

If the author is not a Senator, then a sponsor should seek recognition by the presiding officer and yield the floor to the author.
- 208.5 Once the author's presentation has concluded, the floor shall be open for questions and subsequent debate.
- 208.6 If Senators do not seek recognition, the presiding officer has the discretion to end debate and move to a roll call vote on final passage of the legislation or on final

approval of a given matter before the Senate.

- 208.7 If a Senator motions to end debate from the floor, and if said motion receives a second, then the presiding officer shall ask if there is an objection. If there is no objection, the Senate shall consider amendments. If there is an objection, the Senate shall move immediately into a voice vote on the motion.
- 208.8 Unless a Senator motions to approve by another means, the default voting procedure for final passage on legislation, or final approval of a given matter before the Senate, shall be a roll-call vote.
- 208.9 Amendments to legislation may be proposed during committee consideration and/or during floor debate. Amendments may only be offered by Senators.
- a. Amendments beyond a second-degree amendment are out of order and shall not be considered.

After the amendment author yields the floor, the presiding officer shall recognize the author of the underlying legislation for remarks on the amendment. Once the author of the legislation yields the floor, the floor shall be open for debate on the amendment.
 - c. If Senators do not seek recognition, the presiding officer has the discretion to end debate on the amendment and move to a vote on adopting the amendment.
 - d. Unless a Senator motions to approve by other means, the default voting procedure for adopting an amendment shall be a voice vote.
- 208.11 Unless otherwise stated in this section, all motions shall be voted on by voice vote.
- 208.12 Senators may move to adopt or approve issues before the Senate by unanimous consent. When this motion is made, the presiding officer shall ask if there is an objection to the motion. If there is no objection, then the motion carries. If there is objection, the motion fails.

208.13 In the event that a Senator disagrees with the ruling of the presiding officer on the results of a voice vote, Senators may call out “division,” at which point the Senate shall move into a roll-call vote on the issue that previously just received a voice vote.

- a. A call for a division must be made immediately following a voice vote, otherwise such a call shall be considered out of order and shall not be recognized.

208.14 All votes shall require a simple majority to pass, unless stated otherwise. Votes that fail to reach said threshold shall be considered failed.

- a. As a sitting Senator, the President of the Senate retains the right to cast a vote.

This code, and other guides set forth in these Statutes, shall serve as the foundation for fiscal authorizations to allow the Student Government Association to serve the Student Body.

600.2 This code shall be administered by the Senate's Committee on Budget and Oversight in collaboration with the Treasurer and SGA Advisors. The Senate Committee on Budget and Oversight shall enforce this policy through oversight and authorizations of the receipt and disbursement of student activity fees and the SGA operating budget funds alongside the Treasurer and SGA Advisors.

- a. Authorization refers to pieces of legislation that establishes the terms and conditions under which funds are disbursed and further delineates how appropriated funds are to be used, but do not empower the Senate to independently appropriate funds.
- b. Allocation of funds remains the responsibility of the Treasurer, as stated in Article VI, Section 2, Paragraph C, subsection ii.

600.3 The Finance Code shall accomplish these objectives by:

- a. Assuring adherence to the spirit and stipulations of the University of Georgia Student Activity Fee Guidelines.

- i. Dues may not be charged sooner than two (2) weeks after the Senate approves this request.
 - ii. Dues may not exceed \$25 USD, and if an item is chosen instead of a cash contribution, one (1) unit of said item may not exceed this dollar value after the calculation and inclusion of all taxes, fees, and other associated charges.
 - iii. If an individual is financially unable to pay a due as levied by the Senate, the advisors may grant a waiver, exempting the individual from paying dues.
- h. All allocations approved by the One-Time Allocation Fund Committee shall not require the approval of the full Senate, rather only One-Time Allocation Fund Committee members must be approved by a majority vote. The Committee and Treasurer may elect to write and present a Proclamation promoting the allocation and/or event to the full Senate.
- i. For any program or event hosted by SGA, or where SGA is a partner, and where the event's cost or SGA's financial contribution exceeds \$600 USD, a single piece of legislation shall be written, detailing this cost or contribution.
 - i. Such an authorization shall only approve the appropriation funds. The duration, size, and/or other details surrounding the planning and/or execution of any program/event shall not limit an allocation so as it is dictated in the legislation.
- j. An authorization bill shall follow the same process of any other legislation. The Rules Committee shall review authorization bills, and, after passing a formal formatting review, the Rules Committee shall assign it to the Senate Committee on Budget and Oversight.

Thus, conformant to Article IX, Section 5, Sub-section i of the Constitution of the Student Government Association of the University of Georgia, which gives the Elections Code the authority to define the appropriate number of signatures required for application to a vacant Senate seat, this Code hereby defines said appropriate number of signatures as zero (0).

705.4 Upon approval by the Elections Committee of the GFD paperwork of an intended individual candidate/Ticket, said intended candidate/Ticket is considered to be an official candidate for office, and the candidate/members of said Ticket are permitted to represent themselves as a "candidate," or as the "[insert name here] Ticket," that is

However, phone numbers and email addresses, as well as any other contact information, shall be redacted to respect the personal privacy of the candidates and their staff members.

705.9 All forms necessary to complete the filing of required documentation shall be found and submitted on the Election Committee’s page on the UGA Involvement Network. The Elections Committee reserves the ability to post or request the submission of any forms or documents through other mediums or methods deemed necessary and proper by the Committee.

705.10 Any forms or documents submitted by any candidate or Ticket through mediums or methods not designated or approved as correct avenues of submission by the Elections Committee shall be considered void and shall not be considered submitted. The Elections Committee reserves the ability to accept these documents in extenuating circumstances.

 - i. Postings on social media by individual staff members and individual candidates do not need to be deleted or removed, but all official campaign accounts must be deleted or made defunct via a change in publicity setting to “private” or a similar obfuscation method, and the account must be updated to reflect that it is an archived account that no longer represents an active campaign.
- k. If a candidate/Ticket is involved in a run-off election, they need not remove their campaign materials and postings until 24 hours following the certification of the Run-Off Election Results.

707.4 General Regulations

 - j. When a candidate/member(s) of a Ticket or their staff are being interviewed by media outlets (including all print media, broadcast, and online outlets), or making campus reservations, or campaigning, it is their responsibility to present themselves as a candidate (or potential or intended candidate, or as a

representative of the same) for office, and not as a member of the Student Government Association.

- i.  - i. These posts, photographs, and/or videos may not be made or captured in real-time (such as, but not limited to, a photo booth with animals, a social media livestream with animals, and/or any related concept at the discretion of the Elections Committee).
 - ii. It shall be permissible to use or stage animals in a campaign photo, video, or other similar medium that was pre-recorded, pre-photographed, or otherwise created before the date and time of release in a manner or location designed/used only for the purpose of content creation (and not active campaigning).
- l. No candidate/member(s) of a Ticket or their staff shall use methods of campaigning not listed that damage the integrity of the election cycle and the Student Government Association. The Elections Committee reserves the right to analyze and use discretion when determining appropriateness of campaign methods.

 - i. General staff members who are not officially appointed to a position within a ticket may promote other tickets or candidates in different constituencies on personal social media platforms, provided that such promotion is an explicit personal endorsement and does not represent the ticket itself.
- f. An Executive Ticket shall be held accountable as a single entity, not as individual candidates.

707.6 Individual Senatorial Candidate Regulations

- a. An individual Senatorial candidate shall run independently of an Executive Ticket and of any other Senatorial candidate(s) unless that individual candidate forms or joins a Senatorial Ticket.
- b. An individual Senatorial candidate shall not endorse any Executive Ticket.
- c. An individual Senatorial candidate shall not endorse any other candidate for senate.

- i. The only instance where this endorsement shall be permissible is when the individual Senatorial candidate(s) issuing the endorsement, as well as the recipient(s) of said endorsement, are affiliated with the same Senatorial Ticket.
- d. An individual Senatorial candidate, as well as his or her staff members, shall provide no contributions to any Executive Ticket or campaign, or to any other individual Senatorial candidate, including but not limited to financial contributions, volunteer work, non-monetary assistance/contributions, and/or any other contribution(s) and/or assistance that would impact said campaign(s). Such contributions can be made if said individual candidate forms or joins a Senatorial Ticket.
 - i. The only instance where such contributions shall be permissible is when the individual Senatorial candidate(s) providing the contributions, as well as the recipient(s) of said contributions, are affiliated with the same Senatorial Ticket.

 - i. This Ticket shall not share a name (or a variation of a name) with any other Senatorial Ticket or with any Executive Ticket.
- c. All Senatorial Tickets must be registered with the Elections Committee.
 - i. Registration shall be defined as the submission of a Senatorial Ticket Affiliation Form by each member of the Senatorial Ticket, as well as subsequent approval of said Form by the Elections Committee.
 - ii. The deadline for this Affiliation Form shall be the same as the deadline to submit the Statement of Intent Form. A potential candidate may change his or her intended affiliation status until the Statement of Intent Form submission deadline, after which time changes will be prohibited.
 - iii. This Affiliation Form shall include the Senatorial Ticket's name, the constituency in which the Senatorial Ticket plans to run, and a list of each individual candidate affiliated with said Ticket.
 - 1. An individual staff member working on behalf of an individual candidate

that is affiliated with a given Senatorial Ticket shall be permitted to perform active representation, as defined by Chapter 706.1a.i of this Code, of any other candidate(s) affiliated with the given Senatorial Ticket, as well as for the Ticket at-large. However, this staff member may only appear on the Staff Roster of one (1) of the affiliated candidates.

iv. Upon approval by the Elections Committee of the Affiliation Form and of the Statement of Intent Form of all members of an intended Senatorial Ticket, said members may begin to make financial expenditures for the Ticket at-large.

1. A Senatorial Ticket shall not make expenditures as an entity, and expenditures shall be made by the individual candidates, who are permitted to coordinate these expenditures with other candidates on their affiliated Ticket.

2. Financial Disclosure shall occur by individual candidates, not by the Ticket as an entity.

v. Failure by any member(s) of a potential Senatorial Ticket to submit the Senatorial Ticket Affiliation Form by the deadline as defined by the Elections Timeline shall result in automatic disqualification of the Ticket to form or to operate unless extenuating circumstances are otherwise determined by the Elections Committee.

1. In this specific scenario, this failure to file appropriate documentation in the correct way or by adhering to the Elections Timeline shall not disqualify the individual candidates who were intending to become affiliated with said disqualified Ticket, and these individuals shall still be capable of campaigning as individual candidates if their individual paperwork has been approved by the Elections Committee.

2. In the event that all but one (1)/several member(s) of a potential Senatorial Ticket submit their paperwork properly, the formation of the potential Senatorial Ticket shall be permitted, but the one (1)/several specific member(s) who did not properly submit their paperwork shall be barred from affiliating with said Senatorial Ticket.

a. If the omission of violating individual candidates reduces the anticipated number of Senatorial Ticket affiliates of a given Ticket to one (1) potential candidate, said Ticket shall not form conformant with Chapter 707.7a.i of this Code.

d. Senatorial Tickets may only be formed amongst individual Senatorial candidates running within a single constituency.

- e. No Senatorial Ticket shall have more candidates than available seats for a given constituency.
- f. If an individual Senatorial candidate chooses to be affiliated with a Senatorial Ticket, said candidate shall only be associated with one (1) Senatorial Ticket.
- g. A Senatorial Ticket shall campaign and run independently of individual Senatorial candidates not affiliated with said Ticket, as well as independently of any other Senatorial Ticket and/or Executive Ticket.
- h. Members of a Senatorial Ticket shall be elected independently of one another.
 - i. On the ballot, each candidate shall appear individually, but each member of each Senatorial Ticket shall be identified as being a member of their respective Ticket.
 - ii. Members of a Senatorial Ticket, or the Senatorial Ticket as a whole, shall not endorse any candidate(s) for Senate that is not a member of said Senatorial Ticket and shall not endorse any other Senatorial Ticket or any Executive Ticket.
- j. The members of a Senatorial Ticket, as well as any staff members working for said members, shall provide no contributions to any individual Senatorial candidate that is not affiliated with the Ticket at hand, or to any other Senatorial Ticket as a whole, or to any Executive Ticket, including but not limited to financial contributions, volunteer work, non-monetary assistance/contributions, social media posts, and/or any other contribution(s) and/or assistance that would impact said campaign(s).
- k. Members of a Senatorial Ticket shall be held accountable as an entity, where the elections committee deems appropriate.
 - i. The Elections Committee reserves the ability to reject the registration of or to dissolve a Senatorial Ticket (without disqualifying the Ticket's individual members) based on violations of this Code, including but not limited to the failure to file required documentation in the correct way or pertaining to the failure to adhere to the Elections Timeline.

707.8 Debates

- a. The Elections Committee shall set a time and place for an Executive Debate. One (1) debate is to be held during the week prior to the days of the General Election.

manner so that no Executive Ticket receives any institutional or systematic advantage over another.

- c. Attendance at the Executive Debate is mandatory for all candidates on an Executive Ticket.
 - i. Any Executive Ticket candidate that is unable to attend the debate must submit an excuse, in writing, to the Attorney General following the rules and procedures established by Chapter 305 of the SGA Statutes.
 - ii. An unexcused absence will result in disciplinary action. Pursuant to Chapter 707.5f of this Code, this disciplinary action shall be taken against the Executive Ticket as a whole.
 - iii. If an Executive Ticket candidate is unable to attend the debate, they will not be allowed a proxy.
- d. The format of the debates shall be determined by the Elections Committee.
- e. The Elections Committee may choose a third-party outlet(s) and/or moderator(s) to moderate the debate. However, the Elections Committee shall not consider or contract for moderation any outlet(s) that has endorsed any candidate, Executive Ticket, or electoral matter on the ballot for the current election cycle. The Elections Committee also shall not consider or contract for moderation any moderator(s) that has endorsed any candidate, Executive Ticket, or electoral matter on the ballot for the current election cycle, or that is a registered staff member for any campaign, or that has given a monetary or non-monetary contribution to any campaign, or that has participated in any campaign in any way (registered or otherwise) that would create a reasonable doubt as to the neutrality of the debate at the discretion of the Elections Committee.
 - i. To ensure proper neutrality, the Elections Committee shall conduct appropriate vetting and investigation prior to the commissioning or contracting of any outlet(s) or moderator(s).
- f. It is the responsibility of the Elections Committee to publicize the Executive Debate.
- g. Candidates for office may organize their own debates, though such debates are not subject to the rules or format of the Executive Debate hosted by the Elections Committee.

 - v. The financial records of each candidate/Ticket shall be available for public inspection.

708.2 Any discrepancy between receipts provided and expenditures listed may result in a hearing before the Elections Committee and possible disciplinary action. If a hearing is called regarding Senatorial ticket expenditures, tickets should be prepared to provide evidence of which candidate contributed funding for each item.

CHAPTER 709: ELECTIONS

709.1 Voting Procedure

 - e. All candidates, Ticket members, and staff members shall not exert any undue influence over any voter.

709.2 Results

- a. Upon poll closure, the Elections Committee shall gather the results of the General Election. The Attorney General, acting on his or her authority as Chair of the Elections Committee, will then certify the General Election Results and will disseminate these results publicly.
- b. An Executive Ticket shall be elected when that Ticket achieves an absolute majority of the votes cast for the specific election that an Executive Ticket contests.
 - i. "Absolute majority" is defined by the Constitution as 50 percent plus one (1) vote.
- c. A Senatorial candidate contesting a constituency with a singular Senate seat shall be elected when that candidate achieves an absolute majority of the votes cast for the specific election that a Senatorial candidate contests.
- d. A Senatorial candidate contesting a constituency with multiple Senate seats shall be elected when that candidate receives enough votes to finish in at least the numerical place equivalent to the number of seats allocated to the specific constituency that a Senatorial candidate contests. (*e.g., If a constituency has five (5) seats, a Senatorial candidate must receive at least the fifth-largest number of votes in order to be elected.*) A Senatorial candidate does not need to win an absolute majority of votes cast in this election.
- e. The outgoing Senate must ratify the General Election Results in the next

immediate Senate session following the certification of these results.

- f. If the Senate chooses not to ratify the results, then the Elections Committee shall carry out remedies.

709.3 Irregularities

- a. The Attorney General, in consultation with the Elections Committee, shall have the power to withhold the certification of the General or Run-Off Election Results should the Elections Committee find substantial evidence that irregularities may have occurred, and that such irregularities may have influenced the outcome or results of the election.
- b. The Elections Committee shall have 48 hours after the initial compilation of the results in question to investigate and rule on the irregularity.
- c. The Elections Committee may, if it deems necessary, call a new election to be held within the limits of this Elections Code at the earliest convenient time.

The candidates/Executive Tickets that receive the highest and second-highest number of votes shall advance to a run-off election. Alternatively, a run-off election shall occur between any two (2) candidates/Executive Tickets that are contesting a single office or election, where both parties have received an exactly equal number of valid votes, and where this tied-vote total directly impacts the potential election of the affected candidates/Tickets.
- b. A Senatorial candidate/Executive Ticket shall be elected when that candidate/Ticket achieves the criteria established by Chapters 709.2b and 709.2c of this Code.
- c. The Run-Off Election Results shall undergo the same processes of certification, ratification, and rules regarding irregularities as the General Election Results.

711.2 The Elections Committee shall enforce the Elections Code of the Student Government Association of the University of Georgia.

711.3 The Elections Committee shall dissolve 96 hours after the certification of the General Election Results.

- a. This dissolution deadline becomes null and void should the Elections Committee identify any irregularities surrounding the General or Run-Off Election Results, or should the Senate refuse to ratify the General and/or Run-Off Election Results, which would require the Committee to remain assembled after the 96-hour deadline in order to execute its duties.

711.4 Impartiality

- a. The Elections Committee shall act in good faith, without bias.
 - i. Neither the Elections Committee as a whole nor any of its members individually shall, upon confirmation, render aid, assistance, help or shall contribute to any candidate, Ticket, or electoral matter in any way.
 - ii. No member of the Elections Committee shall, upon confirmation, stand for election, or shall function as a registered staff member of any campaign, or shall perform any campaigning for any candidate, Ticket, or electoral matter, or shall advertise, promote, advocate for, or otherwise support any candidate, Ticket, or electoral matter in any way.
 1. In the case where the Attorney General stands for election to an office or is otherwise deemed incapable of remaining impartial by the Elections

Committee, the Elections Committee shall be responsible for submitting a designee to the President of the Student Government Association to fulfill the Attorney General's duties on the Elections Committee.
